

GENIUS SCIENCE SUMMER CAMP

兒童物理化學生物學班

一定會令小朋友

喜歡科學，
大開眼界，

用科學的方法看世界！

NURTURE A CHILD'S LOVE OF LEARNING BY EXPANDING ON HIS OR HER OWN INQUISITIVE NATURE AND HELP YOUR CHILD TO SEE THE WORLD FROM A SCIENTIFIC PERSPECTIVE!

Genius Development Workshop is the largest and the most professional STEM institution in Hong Kong. The Science Summer Camp covers physics, biology, chemistry, and the courses are designed for children and teenagers from 3 to 17 years old. All courses are taught in English, preparing students for top universities around the world.

天才教室是全香港最大，最專業的STEM機構（物理、生物、化學）。適合3歲到17歲兒童及青少年的科學學習。國際體系，全英文授課。

Genius Development

SCIENTECH FUTURE

If you want a child to become a top scorer in public examinations in the future, then you must help your child cultivate an interest in science from an early age.

想孩子將來成為理科狀元，
就要從小培養孩子
對科學的興趣和系統性學科學。

給孩子
不一樣的
暑假

GIVE YOUR CHILDREN
THE SUMMER VACATION
OF A LIFETIME.

GENIUS SCIENCE SUMMER CAMP

Please choose from the following workshops:

Lesson topics

Summer Vacation Camp is between 1-June to 31-Aug

Dissection	Atomic Structure and the Periodic Table
Chemical reactions	Air and Air Pollution
States of matter	Density
Tiny organisms and microscopes	Magnetism
Laws of motion	Photosynthesis
Classification of Matter	Human Digestion
Light	Electricity

	GROUP		
	1V1	1V2	1V3
10 hrs	\$32,400	\$19,990 PER STUDENT	\$13,330 PER STUDENT
20 hrs	\$64,800	\$39,980 PER STUDENT	\$26,660 PER STUDENT
